

# MULLEN CASE IS READY FOR JURY

Lawyers Finish Arguments; State Says Perfect Circumstantial Case.

The case of W. E. (Red) Mullen, charged with the murder of Maurice Rosenberg in February, will go to the jury this afternoon.

Arguments to the jury started Monday afternoon and will not be concluded until this afternoon. P. H. Mag-

num, assistant district attorney, opened for the state. He proceeded on the assumption that the state, in the introduction of its line of evidence, had established a complete chain of circumstantial evidence, and reviewed the testimony to show that there was no break in the chain. He dwelt at some length upon the incident at the irrigation ditch, where Mullen went to a camp and drank several glasses of water and then asked for a cigarette, pointing out that a man laboring under great mental strain would crave water.

**Defense Says No Case.**  
A. J. Wilson, counsel for the defense, completed his argument Tuesday morning. His argument was that the state had not established a complete chain of evidence. He spoke of the check signed by Rosenberg which Jay Settle had received from Mullen in payment for the use of an automobile, calling attention to the date. The check, he stated, bore date of Feb. 18, where as the state represented that Rosenberg had been killed on Feb. 18. He also represented that the state had not proved that the bullet extracted from Rosenberg's head was the cause of his death.

Dell W. Harrington, counsel for the defense, followed, with an argument tending to show that the state had not established a complete line of circumstantial evidence.

At 1:20 Tuesday afternoon, W. W. Henderson, district attorney, began the closing argument for the state.

**EIGHTH BRIGADE TO HAVE FIELD MEET ON SATURDAY**  
The Eighth Infantry brigade will entertain the people of El Paso with an army field day Saturday afternoon from 2 to 5 o'clock at Washington park, which will be held by the band of the Sixth, 15th and 20th infantry regiments will play concerts during the afternoon. The elimination competitions have been held in the various regiments the past few weeks and everything is ready for the final events Saturday.

On Friday morning there will be the target competition on the range at Fort Bliss, in which a team of 12 men and five officers from each regiment will compete. The elimination bayonet fencing will be held Friday morning at Fort Bliss.

The final fencing bout will be held Saturday afternoon at Washington park, in which the winners of the elimination events will compete.

**DEATH OF RACE HORSE CAUSES SUIT AGAINST T. P.**  
The loss by death of a race horse while being transported from Dallas to El Paso over a year ago is cause for a suit against the Texas & Pacific railroad by W. B. Freeman, now being heard in the first district court. The horse was valued at \$2500 and it is for this amount that the plaintiff is suing.

The horse bore the name of Benedict and is said to have beaten Joe Blair, Ohio and other well known race horses.

**Retired Georgia Planter's Advice to Kidney Sufferers**  
Regarding the wonderful curative merits of Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and I owe to Dr. Kilmer's Swamp-Root, am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

Sincerely yours,

## Prof. T. U. Taylor Is Added to Reclamation Projects Review Board

Austin, Texas, March 26.—Prof. T. U. Taylor, dean of the engineering department of the University of Texas, has received and accepted appointment as member of the board of review of the southern division of U. S. reclamation projects, including those of Salt River, Rio Grande and Colorado.

This board, under the direction of Harry Lane for the purpose of reviewing the actual cost of water under these projects and determining equitable charges for it. There has been some dispute about rates between the reclamation service and the water users.

The board is so far constituted, is as follows: F. W. Hanna, L. M. Lawson, D. W. Murphy, representing the reclamation service; F. A. Jones, Lafayette Clapp and Scott Blair, representing the water users. Dean T. U. Taylor's acceptance as outside and neither side representative, makes up the quota of seven.

The sitting of this board will likely not begin before next summer. The findings and conclusions of the board will be transmitted to the secretary of the interior for his consideration and guidance in the matter of additional disputes that arise under the great government reclamation projects as to rates charged for irrigation water.

## EL PASO HERALD

### WINTERWEATHERS FREE IN EL PASO

Was Released by Villa Officials, Who Found His Money Was Good.

After having faced a firing squad in Saltillo on a charge of having in his possession counterfeit money, which he says Villa officials before and after declared was good, Minor Winterweather arrived here Monday, having been released by Villa officials. Winterweather is an ex-Annapolis naval academy man and is well known in this city. His case was ordered investigated by the state department.

"Some weeks ago I arrived in Monterrey with \$20,000 in bills," said Mr. Winterweather. "The total amount, \$20,000 pesos was in Monterrey money. This was in 5, 10 and 20 peso notes. I can describe money by type, and as good. I can prove this by the American consul there."

He then went to Torreon and tendered the money. He was arrested and placed in jail for five days while an investigation was made. I was then released and allowed to go. My arrest was made and the money was returned to me, with the statement that it was perfectly good and that a mistake had been made. I then went to Saltillo, accompanied by L. R. Hoard, general sales agent of the Madero company. The money was proved by officials in that city, but when I was leaving I was arrested at Saltillo and returned to Saltillo. The only reason I can describe money by type, and as good. I can prove this by the American consul there."

I want to make the positive statement that neither Duval West, special representative of president Wilson, nor George C. Carranza, special agent of the state department, gave me the slightest aid or in any way interested themselves in my case, which was simply the case of an American being persecuted."

Mr. Winterweather stated that he had not been expelled from the country under the "undesirable alien" law.

**CHANDLER WOULD QUASH INDICTMENT**  
Los Angeles, Calif., March 26.—Harry Chandler, assistant general manager of the Los Angeles Times and owner of extensive estates in Mexico, filed a motion Monday in the United States district court to quash an indictment charging him with having violated the neutrality of the United States by entering an alleged conspiracy to throw an armed expedition into Lower California.

Walter E. Bowker, manager of a ranch owned by Chandler, the latter's father-in-law, Gen. Harrison Gray Otis, and a number of other Americans joined in the motion, which set forth that no evidence of an offense had been shown, and that even if the allegations contained in the indictment were true, they were not sufficient to constitute an offense against the United States.

The indictment alleged Chandler supplied funds to Balazs Avila, a former governor of Lower California, to finance a new revolution there. The money was paid through Gen. R. J. Villan, a former Mexican general, and Chandler stated that the payments were made in good faith in settlement of taxes due on the ranch property, and that at the time Avila apparently was a regularly credited Mexican government official.

Chandler's motion was set for Monday next for hearing. The indictment was filed by the United States attorney, J. C. McLaughlin, on the basis of a report by a Mexican official that Chandler had supplied funds to Avila for the purpose of raising an expedition into Mexico.

**GUARD OF HONOR, FIRED ON, FLEES ACROSS THE BORDER**  
Douglas, Ariz., March 26.—Col. Miguel Samaniego, returning to Agua Prieta with his forces after a series of forays through northern Sonora, is expected to enter Agua Prieta today.

The guard of honor fled wildly toward Agua Prieta. Five men crossed the border near Douglas, Ariz., and down rifles and ammunition belts at the feet of the United States soldiers, and, not stopping to make explanations, ran for the interior.

Samaniego must dodge hostile troops as the town is almost entirely surrounded by Carranza's followers under the leadership of Gen. Maytorena's officers.

**GEN. FUNSTON TAKES COMMAND AT BROWNSVILLE**  
San Antonio, Texas, March 26.—Major General Funston, commanding the department of the south, will take command of the American military forces at Brownsville, opposite Matamoros, Mexico, where fighting has been in progress. Villa and Carranza forces are in progress. Villa has given discretionary power to act in the event the fighting by Mexicans into United States territory continues.

He served formal notice upon the commanders of the two forces that they would be held personally responsible for shots fired into the Texas town and that American troops would be prepared to enforce the order.

Three batteries of the third field artillery, including 450 men and 12 guns in command of Col. George W. Van Hook, and Fort Sam Houston were ordered Monday night for Brownsville and were ordered rushed to the border by a special train.

**WILSON'S REPRESENTATIVE GOES TO INTERVIEW ZAPATA**  
Veracruz, March 26.—Major General Funston has arranged for a special train to convey Duval West, president of the American military forces, from here to Mexico City where he is to interview Gen. Zapata. West has been in conference here with Carranza.
